

***C. difficile* Prevention Collaborative
Team Kick-off call
June 2, 2010, 3-4pm**

The Coalition, in partnership with the Massachusetts Hospital Association, announces an audio conference for teams participating in the *C. difficile* Prevention Collaborative. In addition to learning more about the upcoming collaborative, we are pleased to be joined by guest speaker Maxine Powers.

As National Improvement Advisor for the National Health Service in the UK, Maxine oversaw a successful and sustained reduction in *C. difficile* infection using a collaborative approach and the Model for Improvement. Come hear about their creative strategies to help you jump-start your improvement work!

Please join this call to:

- Hear highlights of the upcoming *C. difficile* Collaborative
- Learn the strategies that made the UK successful in reducing *C. difficile*

Who Should Attend?

Bring your entire CDI prevention team, if possible - the engagement of the full team is essential for sustained improvement.

Faculty

Maxine Powers, PhD, MPH
National Improvement Advisor Lead for Quality and Productivity
Department of Health, National Health Service, United Kingdom
