**Massachusetts Senior Care Foundation**

Helen Magliozzi/Laurie Herndon

**AGENDA**

Welcome and housekeeping

Table Talk:

What have you noticed? What have you changed?

Engaging everyone in finding solutions:

*Engaging frontline staff in identifying and making improvements to prevent transmission of C. difficile Infection*

- Implementing precautions
- Environmental cleaning and disinfection
- Communication about infections at time of inter-facility transfer

Small tests of change

*Using quality improvement to test and implement changes to prevent C. difficile infection.*

Planning your next steps
